To Whom All To Whom It May Concern,

Re; Docket No. 2009-141-T

I Albert H. Kohler the owner & President of Kohler moving & Storage Inc. do wish to protest, say no to and represent that I do feel it fair to the Interveners that depositions be allowed to be taken from Witnesses. I feel that we the Interveners should have the right to cross examine all witnesses in regard to this matter.

Please as always feel free to contact or call me direct at (843)-729-5911 if anyone has any questions about this letter or any other matter.

Sincerely Thanks,
Albert H. Kohler
